### **Research Employment:**

Associate Editor, Richard Rufus Project (RRP), 2011-present | Assistant Editor, RRP, 2009-2011

Researched sources for and the influence of Richard Rufus's early-thirteenth-century commentaries on Aristotle's *Metaphysics* and *De anima*.

Researched sources for and the influence of Rufus's commentary on Aristotle's *De generatione et corruptione* and collaborated on the final preparation of this text for publication.

Prepared for web publication a text of the Arabic-Latin translation of Aristotle's *Metaphysics*, collating three early manuscripts and the incunabulum edition.

Collaborated on the annotation of the longer of Rufus's two commentaries on Aristotle's *Metaphysics*. Identified parallel passages in the manuscript works of Rufus's contemporaries & immediate successors.

Greystones Manuscript Project, Center for Medieval Philosophy, Georgetown University, Washington, D.C., 2011-present

Collaborated on the transcription and annotation of selected questions from Robert Greystones's early-fourteenth-century commentary on Peter Lombard's *Sentences*.

Translated six questions on issues related to free will from Latin into English in preparation for a projected publication of the Latin critical edition and English translation of these questions.

**Jennifer Ottman, continued**

Postdoctoral Editor, RRP, Department of Philosophy, Stanford University, Stanford CA, 2003-5

Collaborator: transcription, collation, & annotation of Rufus's commentary on Aristotle's *De anima*

Assisted in the final preparations for the publication of his commentary on Aristotle's *Physics*.

Identified sources and parallel passages in the works of Rufus's predecessors, contemporaries, and immediate successors, printed and manuscript.

Editorial Assistant, RRP, 1999-2003

Primary- and secondary-source research associated with the critical edition of Rufus's works, particularly his commentaries on Aristotle's *Physics* and Peter Lombard's *Sentences*.

Established the evidence for Rufus's response to one of his contemporaries and conducted reviews of the literature on several of his contemporaries and successors.
